

**Figure 8**  
**AOPI Building 3316 - Firehouse 2**  
**Proposed Sampling Locations**

- AOPI Location
- AFFF Use Area
- Well
- Well (Abandoned / Not Located)
- Assumed Groundwater Flow Direction

- Groundwater Sampling Locations**
- Proposed Sample Location for SI
  - Proposed Sample Location for SI (Temporary Well)
- Soil Boring Sampling Locations**
- Proposed Sample Location for SI

Note:  
Soil sample location will be downgradient from the identified AFFF use area, field verification of sheet flow from the identified AFFF use area will determine final location.

Coordinate System:  
WGS 1984, UTM Zone 18 North
